

Invest Africa Programme

Invest Africa aims to contribute to economic transformation by increasing Foreign Direct Investment (FDI) in manufacturing, with positive spill-over effects for wider economies

Outcomes, driven through
transaction facilitation and
technical assistance

1 Significantly increase FDI investments into manufacturing

2 Strengthened capacity to deliver foreign investor-related services

3 Improved business linkages for African firms

Goals for 2026

1.2 B

GBP in additional FDI investment in
manufacturing

90K

Jobs, of which 13K are
direct
